WORK EXPERIENCE

2014 – up to now

Researcher

Baltic Studies Centre, Latvia (www.bscresearch.lv)

- Project management
- Research

Business or sector Private research organisation

1998-2014

Researcher

Centre for Science and Technology Studies, Latvian Academy of Sciences (www.lza.lv/ztpc/)

- Project management
- Research

Business or sector Public research organisation

2004-2005

Translator

Riga Region Development Agency

- Contract work
- Latvian-English/English-Latvian translations of policy documents

Business or sector Public administration

2005

Lecturer

University of Latvia, Faculty of Social Sciences, Department of Sociology (www.szf.lu.lv/)

- Project management
- Research

Business or sector Public higher education institution

2001-2002

Administrative assistant

Ericsson Latvia Ltd. (www.ericsson.com/lv)

- Part-time job
- Document filing, correspondence processing
- Translations (English-Latvian)

Business or sector Private business company

EDUCATION AND TRAINING

- 2003-2007 (2012) **Dr.sc.soc.**
 University of Latvia, Faculty of Social Sciences, Department of Sociology

 - Sociology (thesis title "Science-society relations in Latvia: communicative practices and discourses")

- 25-29.07.2005 **Diploma of the summer school course**
 University of Oslo, Norway

 - Technology and Risk: Public Perception and Social Assessment

- 29.11.-02.12.2004 **Diploma of the training course**
 University of Twente, Enschede, the Netherlands

 - R&D Evaluation: Methods, Experiences and New Approaches

- 2000-2003 **Master of Science in Sociology (M.Sc.soc.)**
 University of Latvia, Faculty of Social Sciences, Department of Sociology

- 2001-2002 **Master of Arts in Society, Science and Technology in Europe (M.A.)**
 Linkoping University, Department of Technology and Social Change, Sweden

- 1996-2000 **Bachelor of Science in Sociology (B.Sc.soc.)**
 University of Latvia, Faculty of History and Philosophy, Department of Sociology

 - Sociology (thesis title "Analysis of Changes in the Patenting of Latvian Inventions (1980-1999)")

PERSONAL SKILLS

Mother tongue(s) Latvian

Other language(s)

Levels: Basic user A1 (beginner), A2 (elementary) - Independent user B1 (intermediate), B2 (upper intermediate) - Proficient user C1 (operational proficiency), C2 (mastery)

English

Russian

German

	READING	SPEAKING	WRITING
English	C1	C1	C1
Russian	B2	B2	B1
German	A2	A2	A2

Job-related skills/ qualifications

- Analytical skills, desk research, field work (interviews, focus groups), reporting, editing
- Accuracy, scrupulosity, respect for deadlines
- Budgeting, filing, administration

Other skills (Organisational / managerial/ Communication etc.)

- Additional organisational and managerial skills developed as part of the voluntary work of project management of the amateur mixed choir "Domino" since 2011.

Computer skills

- Proficient in using Microsoft Office (Word, Excel, PowerPoint, Access), Email, Internet.

ADDITIONAL INFORMATION

Involvement in international research projects

- “Rural-Urban Outlooks: Unlocking Synergies (ROBUST) (2017-2021). “Horizon 2020” project. Coordinated by Wageningen University (The Netherlands).
- “Agricultural knowledge: linking farmers, advisors and researchers to boost innovation” (AgriLink) (2017-2021). “Horizon 2020” project. Coordinated by INRA (France).
- “Small farms, small food businesses and sustainable food security” (SALSA) (2016-2020). “Horizon 2020” project. Coordinated by Universidade De Evora (Portugal).
- “Peer-to-peer learning: accessing innovation through demonstration” (PLAID) (2016-2019). “Horizon 2020” project. Coordinated by the James Hutton Institute (United Kingdom).
- “Advancement of non-technological innovation performance and innovation capacity in fruit growing and processing sector in selected Baltic Sea Region countries” (INNOFRUIT) (2016-2019). INTERREG Baltic Sea region. Coordinated by the Institute of Horticulture, Latvia University of Agriculture (Latvia).
- “Sustainable finances for sustainable agriculture and fisheries” (SUFISA) (2015-2019). “Horizon 2020” project. Coordinated by Katholieke Universiteit Leuven (Belgium).
- “Assessment of the impact of drivers of change on Europe’s food and nutrition security” (TRANSMANGO) (2014-2018). EU FP7 project. Coordinated by Katholieke Universiteit Leuven (Belgium).
- “Rethinking the links between farm modernization, rural development and resilience in a world of increasing demands and finite resources” (RETHINK) (2013-2015). EU FP7 RURAGRI ERANET. Coordinated by the Institute for Rural Development Research, J W Goethe University Frankfurt (Germany).
- “Developing universities – the evolving role of academic institutions in economic growth” (UniDev) (2005-2009, 2010-). Coordinated by the Research Policy Institute, Lund University (Sweden).
- “Monitoring policy and research activities on science in society in Europe” (MASIS) (2010-2011). Commissioned by the European Commission, Directorate-General for Research. Coordinated by A/S COWI (Denmark).
- “Feasibility study for creating a European university data collection” (EUMIDA) (2009-2010). Commissioned by the European Commission, Directorate-General for Research. Coordinated by the University of Pisa (Italy).
- “European Observatory of the research activity of Universities and National Public Research Funding Agencies” (2009). Commissioned by the European Commission (DG JRC-IPTS). Coordinated by *Erawatch Network Asbl.* (Belgium).
- “Xenome” (2009). Commissioned by the European Commission, Directorate-General for Research. Coordinated by *Observe Science in Society* (Italy).
- “Erawatch Analytical Country Reports” (2008-2012). Commissioned by the European Commission, Directorate-General for Research. Coordinated by Erawatch Network Asbl. (Belgium) and the Institute for Prospective Technological Studies (Spain).
- “Erawatch Base-load Research Inventory” (2006-2011). Commissioned by the European Commission, Directorate-General for Research. Coordinated by Erawatch Network Asbl. (Belgium) and the Institute for Prospective Technological Studies (Spain).
- “Innovation and knowledge-based economy-related initiatives in relation to the Structural funds (2007-2013)” (2006). Commissioned by the European Commission, Regional Directorate-General. Coordinated by Ismeri Europa S.r.l. (Italy).
- “Systematic (Sectoral Innovation Watch)” (2006). Commissioned by the European Commission, Enterprise Directorate-General. Coordinated by Technopolis (Belgium).
- “European Trend Chart on Innovation” (2004-2006), “INNO-Policy TrendChart” (2007-2009). Commissioned by the European Commission, Enterprise Directorate-General. Coordinated by INTRASOFT International (Belgium).
- “Innovation Policy in Seven Candidate Countries: The Challenges” (2001-2003). Commissioned by the European Commission, Enterprise Directorate-General. Coordinated by ADE (Belgium) in association with SSEES (United Kingdom), LOGOTECH (Greece).

Professional Memberships

- 2013–2016 – Expert at the expert commission “Humanities and social sciences” of the Latvian Council of Science.
- 2008–until now – Member of the Latvian Sociological Association.
- 2004–until now – Member of the European Association for the Study of Science and Technology.
- 2005–2013 – National representative of Latvia at the EU FP6 Programme committee „*Science and society*” and the EU FP7 Programme committee „*Science in society*”.
- 2002–2005 – National representative of Latvia at the *European RTD Evaluation network*.
